SPECIAL LEARNING • FOR THE FIRST WEEK

A new technician starts Monday.

Choose one task to practice together.

ABA IDEA

Behavioral skills training (BST): explain and show the task, practice with a fictional example, then give specific feedback.

Explain & show

Supervisor explains and demonstrates one authorized task.

Practice

Try it together with a fictional example.

Feedback

Name one thing done well and one to improve.

Our practice plan

Fill this in together. The supervisor decides tasks and readiness.

Task to practice:

Fictional example or question:

My go-to person:

How to reach them:

One thing to practice again:

Next check-in:
