Special Learning

The Special Learning Catalog

Training, continuing education, curricula and tools for everyone who supports autistic people and their families: schools, agencies, families and professionals.

341 products, each linked to its page in our store, where you can see what it includes and buy it.

Prices and availability as of November 18, 2026. Our store always shows the current price.

Schools and districts 150 items

Agencies and organizations 39 items

Families and caregivers 134 items

Professionals 173 items

In other languages 53 items

Tap any title to open its product page. "CE Eligible" names the credentialing bodies each training's certificate is issued for.

Schools and districts

Staff training for teachers, paraprofessionals and school teams, with the curricula and visual supports classrooms use every day.

How a school or district buys

1. **Tell us what you need.** Email contact@special-learning.com or use the form on our school districts page, with how many staff and which titles. An approximate number is fine.
2. **We send a written quote,** itemized, with a total your business office can approve. Quotes are valid for 30 days.
3. **Your school raises its purchase order** against the quote. Send us the PO number and we put it on the invoice.
4. **We issue the invoice** with your PO number and tax-exempt ID if you have one. Pay by check, ACH or card. Access opens as soon as payment clears.
5. **Vendor setup:** our signed W-9 is on the school districts page. If your school system has its own vendor forms or supplier portal, send them to contact@special-learning.com and we will complete and return them.

Special Learning, Inc., 445 E. Illinois St, Suite 6702, Chicago, IL 60611

Agencies and organizations

Training for whole teams: technician programs, state-mandated packages, CE for clinical staff and business services.
